

LILALO

Shaking your booty and tasting your lips

Dreaming my movie I'm feeling your hips

Hey now, hey there, sing LiLaLo

Hey now, hey there, leaving's no go

Saying you want me I'm telling my dream

Taking what you need you're shaking my tree

Screaming my name I'm dreaming no more

Playing your game I'm singing my song

Hey now, hey there, sing LiLaLo

Hey now, hey there, Li LiLaLo

Beautiful, Wonderful

Sing LiLaLo, yeah LiLaLo

Sing LiLaLo, Li LiLaLo

Beautiful...
